

Key Players

in the home buying process

Buying a home is an exciting process and these professionals are ready to help you along the way.

The Loan Officer

- Prequalifies you to determine how much you can borrow to buy a home.
- Explains all loan options before you make any big decisions.
- Collects any necessary documentation to help fund your loan.

The Real Estate Agent

- Listens to your needs and helps you find exactly what you're looking for in a home.
- Researches market trends to help you make the right offer.
- Keeps you informed on filling out paperwork and meeting deadlines.

The Insurance Agent

- Assesses your needs to help you find the best homeowner's insurance for your situation
- Provides proof of insurance to your lender

The Title & Escrow Officers

- The Title Officer ensures that there are no discrepancies related to the title of deed of the home.
- The Escrow Officer checks and finalizes documentation before funds for the sale are transferred.

The Home Inspector

- Inspects the home for damages or issues.
- Helps evaluate what needs to be fixed or replaced.
- Provides reports that help determine whether you should move forward or re-evaluate the terms of the sale.

The Appraiser

- Compares different criteria to determine the home's value
- Estimates the market value of the home
- Measures your chosen home up against surrounding homes
